Fun Food Event Checklist

Introduction March 2008

Dear Parent Advisory Committee Representative;

Health experts, parents and educators are increasingly concerned about the number of overweight

learn and practice healthy eating and active living. This resource is intended to provide guidance for planning, choosing and preparing healthier, fun and safe food for everyone.

The district would like to acknowledge Julie Stephenson and the Parent Advisory Councils in the Surrey School District for their leadership and assistance in the preparation of this resource.

Nutrition and Children

Growing Concerns:

The healthy eating and physical activity choices that children and their families make everyday have potentially life-long consequences. Good nutrition and active living are essential for optimal growth and development.

Since 1981 the number of evenueight and chang Canadians ... both abildren and adults have

Basic Recommendations: Canada's Food Guide to Healthy Eating

This important tool provides Canadians with the essential information they need to eat a healthy diet. Each of the four food groups of Canada's Food Guide makes an important contribution of vitamins, minerals, protein and energy and recommends the number of servings (and portion sizes) from each food group for each day.

If a dishwasher is not available, a four step method (Wash/Rinse /Sanitize/Air dry) should be followed. Wash items like serving utensils, cutting boards, mixing bowls in hot soapy water, rinse off the soap, sanitize in a bleach solution and let air dry.

SEPARATE

Prevent cross-contamination by:

- Using separate plates for raw foods.

Avoid direct bare hand contact with food as much as possible. Wear clean food-grade gloves if you have a cut on your hand.

HANDWASHING TIPS

Wash hands often. Wet your hands with warm water, add soap
