The Burnaby School Board wishes to promote and contribute to a safe and secure environment for students and the community at large. The district endorses the use of constructive means to resolve conflicts, the presentation of peaceful role models and view education as the means to achieve a peaceful and harmonious human environment.	NS
<ol> <li>To promote constructive means of conflict resolution.</li> </ol>	
2. To counteract and seek to eliminate the use of media that portray violence as an acceptable norm.	
3. To support and encourage educational projects and programs that enhance a peace harmonious community.	∍ful
<ol> <li>When any member of the staff of a school has reasonable basis to believe that a portrayal of violence has an adverse effect that person may:         <ul> <li>a.</li> </ul> </li> </ol>	

opt for more appropriate material or seek to ensure presentation only in a constructive
and appropriate context (i.e., material dealing with war while not edited, can be placed
in an appropriate historical and value context).
